are thus confined, the jury as a whole is in a joyial mood. I renches southeast of Fort Douaumont. Preliminaries Consume Five Days.

For the last five days the time of the court has been given ever to selection of a jury and the reading by the government of records in the equity suit by the Riggs Bank officials against Treasury officials, which led up to the present criminal proceedings.

The defense showed its hand late yesterday afternoon when Assistant United States Attorney James B. Archer 24-tempted to read to the jury the affidavit of the Riggs officers. Vigorous objection was at once registered by Attorney William G. Johnson for the delense, who claimed that this affidavit

orought out in court.

The text of the official statement by German army headquarters follows:

"If it please the court," said Mr. Archer, who had been reading other papers to the jury, "I will now read the affidavit of C. C. Glover, William J. Flather and Henry—"Wait a minute," exclaimed Mr. Johnsen, jumping to his feet.

Holding the famous affidavit in his hand, Mr. Archer swung around and faced the challenger for the defense:
"I am only seeking to introduce this paper as I have introduced other papers in the case," he explained. "We merely wish to show that such a paper was filed."

"Different Matter," He Suggests.

"But that is a very different matter."

The text of the official statement by German army headquarters follows:

"Bettween the Argonne and the Meuse in Fettween the Argonne and the Meuse of the Papers to the Jury, "I will now read the engagements at isolated points. Enemy attempts to gain terrain in the Avocourt and Melancourt woods were frustrated. An enemy attack during the full peace strength within five years, as proposed in the original preparedness plans. government appointment, bringing his family, consisting of his wife, three daughters and the son, with him. Coroner Nevitt conducted an inquest position, and blocked the traffic as a protest against his discharge, he said today.

The station is said to be the largest of the kind in the country, having a capacity of 10,000 cars daily.

Coroner Nevitt conducted an inquest at the morgue today to determine the question of responsibility for the accident. Several witnesses were examined, and the jury reported a verdict of accidental death.

NO NEW DEMANDS

Carranza Gives No Indication of a Purpose to Press the Issue.

LATEST TROOP MOVEMENT REGARDED AS FRIENDLY

Taken as a Proof of Intention to Co-Operate in Pursuit of Bandits.

Gen. Carranza has given no indica tion, Special Agent Rodgers at Mexico City reported today, of renewing im mediately through diplomatic channels his suggestion that American troops b withdrawn from Mexico. Eliseo Ar redondo, his ambassador here, tele graphed yesterday for instructions to guide him in informal conversations he expects to have with Secretary Lans-

Maj. Gen. Scott, chief of staff, will reach here Monday from El Paso and confer with Secretary Lansing on the proposals by Gen. Obregon. Secretary Lansing has indicated he would not be prepared to seek a protocol agreemen with the Carranza government unti he has heard Gen. Scott.

Mexican Troop Movements.

Consular dispatches today said the only Mexican troop movements of importance in the border region were the tigating a rumor that Villa, at Yaqui valley, where Indians are threat- the head of a command of 1,100 ening new outbreaks, and the move- men, is in hiding in the mountains ments of parts of the Saltillo garrison into the Big Bend vicinity to check bandit raids.

An order issued today by the War Department permitting Gen. Pershing to appoint general courts-martial to try cases arising among the troops without the necessity of sending them back to the border is taken as further indication of the determination of the administration to maintain the expedition in its present status indefinitely.

Not Regarded as Hostile.

Dispatch of 1,500 Carranza troops orthward toward the border in the Big squadron of the 8th Cavalry are dash Bend district of Coahulla, reported in border advices, was regarded by officials here today as indicating that the Mexican de facto government is making renewed efforts to capture bandits Springs and Boquillas. who have raided American border towns. Reports that the expedition

towns. Reports that the expedition might have a hostile purpose were not regarded seriously by administration authorities.

They intimated that the action tended to strengthen the belief that American and Mexican military authorities at El Paso had reached an unwritten agreement on co-operation along the border to prevent further bandit raids.

The Mexican situation showed no sign of immediate change here today. President Wilson was cruising down Chesapeake bay on the yacht Mayflower and did not expect to return before Sunday or Monday. Secretary Baker had taken a week-end trip to Atlantic City and Newark, N. J.
